

The League of Friends of Axminster Hospital Funding Axminster Hospiscare at Home

WHAT'S BEEN HAPENING

The Field of Vision Analyser, bought for the Axminster Ophthalmic Department by the League of Friends at a cost of £12,500, is being installed as I write.

A number of people who have asked for Axminster appointments recently have been re-routed to Exeter which has caused some concern. This is a short term situation due to reorganisation of the outpatients department and things should be back to normal shortly. Please, when being referred by you GP ask for an Axminster appointment, Ask For Axminster.

The Axminster Hospiscare@Home nursing continues in our area with the wonderful team of Hospiscare@Home nurses. We all appreciate this service, funded by the LOF, and will work hard to keep it in our district through the generosity of our community.

Please remember that the service in our area is fully funded by the League of Friends of Axminster Hospital. Donations made to the League of Friends Axminster Hospiscare@Home are ring fenced for that purpose. Money donated directly to Hospiscare can be used for any purpose near and far.

If you would like to adopt us as your chosen charity we would be delighted. If your organisation is having an event, fair, fete or anything else (legal) we would be glad to come along and raise funds ourselves.

The LOF send their sincere thanks to all those who have supported us over the last year especially the villages who raised funds on our behalf. Thank you all.
