Blessings to You All.

You will be aware that **Tracey Voysey** has been training for ordination with the support of the Exeter Diocese. Tracey began her training with the South West Ministry Training Course (SWMTC) in September 2017 and has been very successful in her role and achievements, being elected as Senior Student for the Course this year. Tracey will complete her training and qualifications in June 2020.

We are extremely pleased to inform you that **Bishop Robert, The Bishop of Exeter** has confirmed that upon the successful completion of her studies **Tracey is to be Ordained** at a service in **Exeter Cathedral on Saturday 12 September 2020**. Please put that date into your diary and come and support Tracey in that service.

We are also pleased that **Bishop Robert** has announced that from **12 September 2020, Tracey** will take up her **Title Post as a Self-Supporting Curate** with our team of churches here in the Axe Vale.

This is wonderful news for all of us and we will so be pleased to welcome Tracey to this new role within the Team. It will be a real joy to work with Tracey as our Curate and to support her in her continuing service to God within the community.

Message from Tracey

'For everything there is a season,' the Wisdom writer wrote, and it is a real privilege to be able to share the news of my next season with you today – a season that has been a long time coming, but one that has been held faithfully in God's hands. I am very much looking forward to being the Curate amongst you and as we travel together towards my ordination, I would be grateful for your continuing prayers for me, Edward and our family as this new phase of our life begins. I would also appreciate it if you would keep in your prayers, Clive and the staff team here as they prepare to support me in my new role.

With warmest wishes from us both,

Clive Sedgewick (Rector) & Tracey Voysey (Ordinand)
