🎵 MUSIC AT THE MINSTER 🎵

The Minster in Axminster is delighted to once again be hosting the lunchtime concerts having missed the 2020 season due to Covid-19. The concerts for 2021 will run throughout August, September and October.

The lunchtime concerts are a great opportunity to take some time out and enjoy the high musical standards within our community from professional and up-and-coming performers.

Please be aware that we will be following all government Covid-19 guidelines that are in place at the time our concerts are to be held so please follow the instructions of our team when you visit so we can ensure that all our visitors and performers are kept safe.

Admission to our concerts is free but we welcome your contributions which are greatly appreciated. Please do gift-aid your donations, if you can, by placing it in one of the small yellow envelopes. Money raised goes towards supporting our concerts and the running and maintenance of our beautiful historic parish church.

We look forward to welcoming you to
MUSIC AT THE MINSTER

There has been a church on the strategic site in the centre of Axminster since at least the twelfth century. Each century is represented in some part of this beautiful building which forms part of its extensive and complex history.

The present building is Grade 2* listed and is the oldest surviving building in the town. As such it requires constant maintenance to keep it open, the cost of which is currently over £1,500 per week.

Your donations and gift-aid are essential for us to keep this church open.
